Based on Hosca

Gently, with movement

Come back to me with all your heart. Don't let fear

keep us a part. Trees do bend, though straight and tall,

so must we to others' call. Long have I

wait - ed for your com - ing home to me and liv - ing

deep - ly our new life. The wil - der - ness will lead you to your heart where

I will speak. In - teg - ri - ty and jus - tice with

ten - der - ness you shall know.

Long have I wait - ed for your com - ing

home to me and liv - ing deep - ly our new life.

You shall sleep secure with peace; faith - ful - ness will be your joy.

Long have I wait - ed for your com - ing home to me and liv - ing deep - ly our new life.

Long have I wait - ed for your com - ing home to me and liv - ing deep - ly our new life.
